

Central Cheshire
Integrated Care Partnership

Co-Designing Health Service That Works for Everyone

 **Date: Tuesday, 19th August 2025**

 **Time: 0900 - 1600**

 **Location: Infinity House, Mallard Way , Crewe, Cheshire CW1 6QJ**

We want to hear from you!

If you are part of or represent a group that faces barriers to accessing health and care services, we want your voice at our co-design day.

We especially welcome:

- Patient representatives
- Voluntary and community groups
- People from ethnically excluded communities
- Neurodivergent individuals or groups
- Mental health service users
- Drug and alcohol support services
- People with learning disabilities
- Dementia support communities
- Traveller and boat communities
- Community kitchens and food networks

What's it about?

CCICP are working to reduce health inequalities and improve access to CCICP services through meaningful reasonable adjustments.

This is your opportunity to tell us:

- What you need to access care and support?
- What barriers exist in current services?
- What adjustments would make a real difference?

Your voice matters in helping us make our services more inclusive and equitable.
